E-Mail: info@kiliani-klinik.de
homepage: www.kiliani-klinik.de

It is possible to take in small children as companions of their parents. Upon agreement treatment of children and youth possible.

Companions and single mothers or fathers can be taken in with children. Furthermore we take in dialysis patients. A dialysis centre is approx. 1 km away from the clinic.

General information:

Our clinic is located in Bad Windsheim, the only spa in central Franconia. It is easy to reach between the picturesque medieval centre and the widely extensive spa gardens, only some 200 m by foot from the train station Bad Windsheims. Bad Windsheim is approx. 55 km away from Nürnberg airport or 200 km away from the Franz-Josef-Strauss airport in Munich. It would be a pleasure for us to support you in organising your transfer.

We have 252 handicapped accessible single rooms meeting hotel comfort, en suite, with telephone and emergency call unit. Manifold leisure facilities in and around the clinic will make your stay even more pleasant. We will be glad to work out your individual activity plan.

We offer all treatments partly in-patient. Of course, we would be glad to find a suitable hotel for you.

Specifics:

Treatment of all neuro-orthopaedic disease patterns, except for acute paraplegia. Within the premises of the Kiliani-Klinik there is a surgical practice cooperating closely with us. There are other cooperation agreements between the vocational school for massager, the associated schools for physiotherapy, Bad Windsheim, as well as with the university Leuven, Belgium, and the medical university Vilnius, Lithuania.

There are facilities for pain therapy treatments for orthopaedic patient.

We have wide experience in the field of treatment of multiple sclerosis patients, integrating the department in an international network of MS rehabilitation centres (RIMS).

Hippotherapy for neurologic patients.

Sauna and sole indoor swimming-pool are available.
